Re: Request for Investigation to Determine Whether a Regulation Should Be Promulgated Requiring Relocation of Certain Meter Sets or Installation of Splash Guards on These Meter Sets. **Docket No. 2005-270-G**

Dear Gas Operator:

Pursuant to the Public Service Commission of South Carolina ("Commission") Orders<sup>1</sup> issued in Docket No. 2005-270-G, all jurisdictional Gas System Operators in South Carolina must provide to the South Carolina Office of Regulatory Staff ("ORS") certain information. This information is in addition to information previously supplied to ORS. Specifically, information required to be reported to ORS pursuant to these Orders includes the:

1. Total number of Type 12 Meter Sets on System;
2. Total number of Type 12 Meter Sets Subject to Service Regulatory Vent Moisture Intrusion and Freezing (those meter sets which either must be reconfigured or have a splash guard installed);
3. Total Number to be Reconfigured;
4. Total Number to have Splash Guards Installed;
5. Reconfiguration Schedule;
6. Splash Guard Installation Schedule;
7. Total Number Reconfigured to Date;
8. Total Number Splash Guards Installed to Date;
9. Forecast for Completing Reconfigurations; and,
10. Forecast for Completing Splash Guard Installations.

Please provide to ORS the above information in writing with postmarks no later than October 30, 2006. In your response please refer to each request by its number. Upon receipt by

<sup>1</sup> Orders No. 2006-168, 2006-168(A) and 2006-310.
